

## STEAMVAC Carpet Wand - for all your carpet cleaning needs

**1 The Steamvac Trigger**  
The SV range of wands are fitted with the comfortable Steamvac triggers to let you work for longer with less strain.

**2 Steamvac Carpet Wand Head**  
Available in 12 inch 2 jet, 12 inch 4 jet and a 15 inch 4 jet configuration for all your carpet cleaning needs.

**3 Double Bend**  
Greater reach for getting under furniture

The light weight, low profile marine grade stainless steel wands are available in 3 different sizes, 12 inch 2 jet, 12 inch 4 jet and a 15 inch 4 jet for all your carpet cleaning needs.

- 1 Steamvac Trigger.**  
The Steamvac range of wands are fitted with the comfortable Steamvac triggers to let you work for longer with less strain.
- 2 Steamvac Carpet Wand Head.**  
The Steamvac carpet wand head incorporates a 10mm mouth & flared neck piece boosting air flow performance. With its unique design stainless steel jet manifold & option of a check valve screen filter jet housing setup for non drip operation. The Steamvac wands also feature a full marine grade stainless steel solution line replacing conventional nylon hose setups.
- 3 Double Bend.**  
The double bend design allows for extra reach, allowing you greater access to those hard to reach places, also making it easier to get under furniture.

## STEAMVAC Stair Tool

Fitted with the Steamvac trigger, this light weight stair tool is great for tight spaces and stairways that would normally be too hard to reach. Comes with 9 inch head and 2 jets.
